

PERSPECTIVES ON THE ROMANIAN LEASING MARKET

Oana ȘEITAN*

Abstract: *the purpose of this paper is to present some characteristics of actual leasing market and the trends of the leasing market this year. The base of these analyses is the last legal regulation which is the “Ordonanța 28” from the 31th of January 2006 known as “IFN Law”. The points of view formulated in the paper reflect the author’s opinions. These opinions are accumulated after the discussions with the heads of leasing companies.*

Key words: *leasing, market, companies, law.*
