

# THE PURPOSE OF WRITING IN TEACHING ENGLISH

Lucian RADU<sup>1</sup>

**Abstract:** *The main purpose of this paper is to show how various kinds of writing activities, to develop particular skills and communication tasks, can be built up into a coherent writing programme."It is intended that the learners should not only make systematic progress, through their growing mastery of the written language, but also see how writing is used for the purpose of communication."*[1, p.5]

**Key words:** *communication, writing, composition, cohesion.*
