

EMIGRATION IMPLICATIONS ON POPULATION, LABOR FORCE AND ECONOMY OF ROMANIA

Adriana Veronica LITRĂ¹

Abstract: *The paper aims at covering most of the demographic, social and economic consequences of emigration for our country after 1990, Romania being an important labor force provider for other European or North-American countries.*

Statistical data from Romanian National Institute of Statistics will be used, being transformed into some demographic and economic indicators.

Key words: *emigration, economic loss, labor force.*
